weinor Easy Post | Series: Folding arm awnings | Semina Life

The all-rounder!: The Semina Life cassette awning from weinor is young and cool, but at the same time, it offers you the whole range of proven weinor technology. Great options such as built-in vertical shading or integrated LED lighting make your stay on the patio even more pleasant. This means you can use your outdoor area even when the sun is low and blinding, or when it gets dark. With a huge selection of fabric designs and frame colours, there are no limits to your design wishes. Make an appointment with us right away. We will be happy to advise you.
